Each unit consists of one common share and one half of a common share purchase warrant. Each full warrant will be exercisable at C\$0.30 for a period of 24 months. The proceeds will be used to fund drilling on the Company’s Hackberry Silver Project in Arizona and for working capital.

Bitterroot will also issue 999,500 Flow-Through common shares priced at C\$0.22, for gross proceeds of C\$219,890 in a non-brokered private placement. The proceeds will be used to fund drilling on the Company’s North Brenda (BC) gold-silver project.

A finders' fee of 6 per cent cash and 6 per cent share purchase warrants (broker warrants), exercisable on the same terms as the private placement warrants, will be paid to third party finders. Subject to Exchange approval, the financings are expected to close late next week.
